ESF Events ensures that all staff are appropriately DBS checked and safe to work with children and young people, in line with government guidance and relevant National Governing Body requirements across England, Scotland and Wales.

Pastoral care, supervision and medical responsibility for children remain the duty of care of the participating teams and clubs. All teams are expected to:

- Obtain parental or carer consent
- Explain how personal data is managed
- Hold emergency contact and medical information for all participants

ESF Events cannot be held responsible for the conduct, behaviour or actions of teams or individuals attending events. **This does not remove ESF Events' responsibility to take appropriate safeguarding action where concerns are identified.**
